Alberton Church

Alberton, Ontario

A haven of hospitality
in an impersonal world.

Sunday Worship at 9:30 am
(Followed by conversation and coffee.)

New Elders

Balloting took place in July for new elders. There were six candidates with two to be elected. Those chosen were Ann Lukey and Randy Baker. They are to be ordained as elders on October 20th.

They will join our other elders in providing spiritual leadership in our the Alberton Church congregational community.

Our Anniversary

The Alberton congregation will celebrate its 164th. Anniversary in a special service on Sunday, November 17th. We will honour those who have gone before us in the faith here and reflect upon the heritage that we have inherited.

You are encouraged to pass on news of this celebration to those whose personal and family ties are linked to the life of the Alberton congregation so that they can share in our celebration.

Something Extra

Starting on October 20th. and continuing until November 10th. the Sunday morning schedule at Alberton will include a half hour study discussion group from 11-11:30 am.

The focus will be on identifying some of the unique personal gifts that God has given to each of us and how we can use them for his glory.

Plan to join us for this series.

Coming this Fall

As many of you know the Ancaster Seniors' Centre is presently undergoing major renovations. Arrangements are presently being made for a number of events that are usually held there to be temporarily relocated to Johnston Hall. We are currently working out the details. Expect more activity in our building during the week. We will try to keep everyone informed of the details of this temporary arrangement.

Alberton on the Internet

Our website serves as a place where we can share with the world who we are and what we hope to achieve as a Christian congregation. It also gives us a place to announce to the community what we are doing.
.
Though still small, the Alberton website shows steady growth. In the past month 61 different people have made 84 visits to:
