

Paisan (April 14, 2009 - February 10, 2020)

Dearly loved by Al and Sil -
Paisan was a wonderful pet and a beloved friend.

We in Alberton Church counted it a great blessing that Paisan could be our congregational Mascot and be featured on our website. Virtually all of our members either are, or once were, people with treasured animals in their lives. We often talk about the blessings that animals bring to us. We considered it a great privilege to have had Paisan as a part of our community.
